How Does Tokyo Station Work?

By popular demand, Tokyo Station is now an admission-based model. All guests require an admission (currently \$12.89 plus tax), which comes with all-day gameplay on our extensive collection of Japanese and retro arcade and pinball machines, as well as access to our delectable food and beverage offerings, audio-visual programming, and public-access special events. But wait! There's more: You're not in Tokyo if your arcade doesn't have an incredible selection of prized skill games. Tokyo Station carries a tantalizing Claw and UFO game line-up (which require gamecards) with the most authentic Japanese prize selection available, and also hosts a wall of much-loved Tomy Gachapon machines (which require tokens) featuring capsules from the largest independent importer of Japanese capsule toys (that's us!). Celebrate uniquely and bring home something fun /weird / awesome! If you have any questions while on location, just ask our hosts.

Table and Patio Reservations

You may reserve one 6-seat booth (\$15), one 6-top table (\$25), one 8-top (\$35), one 12-top (\$45) in our dining area, or one covered patio (seats 40 / \$150). We highly recommend reserving a table/booth for any weekend event as our dining area is often full during the weekend. Reservations are first come, first serve and limited to 1 table/booth/patio per party (not to worry if you have a large number - chances are your guests will be playing games, not sitting around a table). If you are pre-ordering lots of food and are concerned it won't fit, please reach out to kelsie@freeplayinc.com regarding options. All table/booth/patio reservations must be made at least 48 hours in advance.

Food, Drink, and Celebratory Desserts

Shareable selections require a table/booth/patio reservation and pre-ordering + pre-payment at least 48 hours prior to your event. In addition, cocktail drink tickets are available for \$9 per drink ticket and can be exchanged for any cocktail menu cocktails (and are honored for all beverages priced \$10 or less). Non-alcoholic drink tickets are also available for \$3 per ticket and are available for all non-alcoholic beverages priced \$4 or less. A minimum of 10 for each type of drink ticket purchased is required. Please note that pre-ordered items and drink tickets generally are non-refundable. In addition, all standard menu food and beverage options may be purchased on site at the time of your event.

Celebratory desserts, such as cake, are permitted. Ice cream other than ice cream cake is not. Any other outside food or drink is not allowed. Tablecloths and balloon bunches are great. Anything that needs to be hung on the wall is not permitted. If you have any questions we are happy to help.
